- Critical thinking

VOLUNTEER EXPIRIENCE

Gereja GKRI Diaspora City Centre
Youth Leader
2022 - On-Going

About Me

I'm a 5th-semester university student majoring in Information Systems. I enjoy working in groups, which has enhanced your leadership and communication abilities.

I have developed strong skills in front-end programming languages such as HTML, CSS, and JavaScript, and proficient in design software like Figma. I'm passionate about front-end development and strive to use my skills to create exceptional user experiences for both websites and mobile apps.
